DETAILED ACTION

Allowable Subject Matter

1. Claims 1-9 are allowed.
2. The following is an examiner's statement of reasons for allowance: in combination with other limitations of the claim the prior art fails to teach or suggest a field programmable device (FPD) implementing a circuit logic containing a first base sequential element to be clocked by a first circuit clock and a second base sequential element to be clocked by a second circuit clock, the FPD comprises: a first base sequential element transitioning to a next state only after occurrence of a transition on the first circuit clock and transition to the next state being timed according to the global clock; and the second base sequential element transitioning to a next state only after occurrence of a transition on the second circuit clock and transition to the next state being timed according to the global clock as called for in claims 1,8 and 9. Therefore, claims 1-9 are presently allowed.

Conclusion

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
